**In order to sell plans, (and receive commissions for those sales,) you must meet the following ready-to-sell requirements:**

- Certification for products you intend to sell; certification requires AHIP training, all assigned compliance training, (including Fraud, Waste, and Abuse) and product training.
- Licensure and appointment paperwork turned in for all the states you intend to sell in.
- Broker Addendum submitted if you were appointed prior to October 1<sup>st</sup>, 2009.
- In order to receive renewal commissions on any MAPD products, you are required to complete the PDP training module in addition to the MA training to be considered for MAPD products.
- Agents wishing to sell SNP plans must take both the SNP and Part D modules as part of their certification, as well as the HMO or PPO module, depending on the type of SNP plan available to market in their area. This product training is in addition to the required compliance training. Failure to complete all required product modules will result in a non-compliant and non-commissionable sale.

**Please note that by certifying prior to August 1<sup>st</sup>, you will qualify to participate in the pre-ordering period which ensures you have your materials for AEP delivered by October 1<sup>st</sup>, 2018.**
